The Complete

OFFICE MEZZANINES

Hampshire Mezzanine Floors are one of the U.K.'s leading mezzanine refurbishment companies with over 35 years experience in the construction, design, supply and installation of mezzanine floors, partitioning and storage equipment. We offer high quality at competitive rates. We also administrate for our clients, Building regulations and Planning applications.

Free standing mezzanine floor with ground and first floor office accommodation.

PARTITIONING

All types of office and warehouse partitioning installed including frameless glass partitioning, steel partitioning and high level jumbo stud partitioning systems.

SUSPENDED CEILINGS

Modern suspended ceilings with energy efficient LED lighting installations and air conditioning systems.

Mezzanine Project

STORAGE MEZZANINES

Boltfree adjustable shelving to combine with a storage mezzanine to provide high density storage solutions.

Free standing column supported mezzanine floor.

LONGSPAN SHELVING

Racking systems to include adjustable pallet racking, drive-in, push back and VNA (very narrow aisle) installations.

Longspan shelving ideal for storing larger components with either chipboard or metal shelving.

PALLET RACKING

MOBILE SHELVING

Mobile Shelving providing a space saving solution.
